

Parker Knoll Boston 25 Sofa

The Boston 25 range provides the ultimate relaxation. Featuring a high back, and supportive seating, with an option of a static or electronic reclining system. This range combines small compact proportions with neatly tailored details. Boston 25 also has the option of heated seats.

The Boston 25 is handmade in Britain by expert craftsman, and includes a stainless steel USB charging port on power recliner models.

Seat Interiors – Foam (Fixed Seat)

Leg Options – Castor / Glides
