

## Fabio

Fabio exudes spirit! The side panels with rounded edges at the front are the result of authentic craftsmanship. Be inspired by harmonious furniture that gently combines crystal white matt lacquer and soft brushed light wild oak real wood veneer, or as an option that are fully in crystal white matt lacquer. With Fabio, independent furniture design and maximum functionality go hand in hand. All handles are finished in a metal stainless-steel effect and are visually matched for a harmonious image and open large drawers with self-closing mechanisms. Open compartments provide maximum space for your favourite books, decorative items, vases and glasses.
