

Oakham

Hand crafted by Parker Knoll to a high specification the Oakham offers sumptuous comfort and classic style. The Oakham is a traditional scroll-arm sofa available in a wide range of fabrics. A leather version is also available.

The seat cushions are Encore fibre filled as standard, there is an option of Easycare Premium Comfort foam. Fibre cushions give a softer feel but must be plumped frequently to maintain their comfort.

The legs are mahogany with brass castors as standard with the option of Cherry or Teak with brass castors or plain turned leg no castor.
