

A clean, slim armed model, Hazel incorporates fibre seat interiors as standard for an exceptionally comfortable sit. However, if you wish to have a more supportive feel, foam interiors are also available at an extra cost.

There is a multitude of combinations and sizes available, with an excellent choice of sofa sizes, including a generous 4 seater sofa. Hazel also includes a reversible lounge sofa and the option to make a two-corner-one sofa configuration. Brushed metal or matt back foot complete its contemporary style.

Scatter cushions are in main sofa or chair fabric ordered
