Relaxation can be so simple. Comfort is integrated into every detail of this innovative armchair and its mobile headrest. The smart "dynamic armchair" gives you its very own sitting experience. Choice of fabric – leather.

- cantilever with extra-long spring deflection by an innovative designed metal tube frame
- available with a high* or low backrest
- *high back with functional headrest
- armrest covered or solid wood (walnut oiled, wild oak oiled)
- metal frame in shiny chrome or stainless steel
- worked with selvedge seam

Size: W 76 x H 104-105 x D 90cm – seat height 47 cm

The cover is not smooth. The waviness of the covers on the seat, back and armrests is intentional and typical of the product.
