## Crista corner sofa

Crista is a contemporary sofa with the added feature that you can choose the sofa width to suit your room – in 10 cm increments – choose the colour, size and add reclining options if required.

Crista is available in many combinations. Adjustable headrests and reclining actions, which can be power operated, are available.

The range is available in fabric or leather. There is a choice of feet: brushed metal, or of wood in oak, taupe, grege or chocolat finish.

The corner modular sofas are available in many combinations.

### **\*Size – available to order in 10cm increments**

\*With our instore iPad App we can show you how to achieve the size and style of a sofa you really want and view the full range of fabric and leather swatches – All of these features are available to experience instore.
