Available in a wide range of fabrics and leather. The sofas and chairs are offered in small and standard sizes throughout the range. There is the option of a larger "Royale" size on all Recliners. A smaller "Petite" size, with a shallower seat and lower seat height is available on matching 'Lift & Rise' recliners.

For the ultimate in effortless reclining comfort choose the power recliner with either a neat handset or with a two-button switch on the outside arm. A rechargeable option is available for either. The manual recliner comes with a choice of finger-release catch or a lever handle release.

All recliner chairs and Lift and Rise chairs come with a personal five year guarantee on all actions, frames and electrical parts.

The 'Lift & Rise' Recliner is available in Petite, Small, Standard and Royale sizes. They are designed with full powerlift facility to assist sufferers of arthritis, rheumatism, MS, poor circulation and many other mobility restrictions. With the advantage of two-motor control, you can adjust the backrest and footrest independently to reach any desired reclining position, including a near-horizontal full sleeping position. Optional Lumbar adjustment. Single-use emergency back-up fitted as standard and multi-use battery back-up available at extra cost. The smooth and easy single motor action enables the footrest to be fully raised before the back starts reclining. Maximum recommended weight 159 kg (25 stones).
