Hype barstool

The HYPE bar stools feature an iconic scoop seat silhouette with baseball stitching. Black metal legs add to the modern look. The upholstered seat has great seating comfort and the chic design makes this bar stool a popular choice for both hospitality and home settings. The height of the bar stool suits a bar/counter top height around 100 cm.

A Scandinavian design touch in this fabulous range of stools in a quality leather look or fabric.

The Hype barstool is an attractive minimalist chair with high quality craftsmanship and design. The backrest of the chair is subtly angled for additional comfort, while the seat features elegantly upturned corners complemented by slanted metal legs. From every angle, the Hype presents cleanly, conscientiously designed lines and angles and reflects the values of premium Scandinavian design.

Comfortable design that makes a visual impact, the Hype range of stools available in a quality leather look and metal bases. 2 Year guarantee.
