The Lindale can be offered with a **Bolt On** massage system. The effects of a massage system can provide welcome relief to muscular tension, as well as a reduction in stress, aches, and pains. It can also improve blood circulation and stimulate faster healing of muscle damage, as the vibrations aid the flow of blood to and around affected areas.

Massage Features:

- Bolt On Outside the mattress. The system bolts on to the bed slats underneath the mattress.
- The intensity of the massage can be controlled via a wireless handset controller, with different levels of vibration and modes of massage.
- You can only have 1 single size massage unit in a small double or double size which will be positioned in the centre of the mattress.

Measurements:

- Mattress Depth – 25cm
- Standard Base Depth Inc. Castors – 38cm

For your peace of mind this product comes with a 5 year guarantee.
