Kameron

Kameron is a versatile sofa with an added feature of an adjustable headrest, you can choose the sofa width to suit your room – choose the colour, size and add reclining options if required.

Kameron is available in many combinations. Adjustable headrests and reclining actions, which can be power operated, are available. The recliner action is a “wall-hugger” type and requires no additional clearance against the wall.

The range is available in fabric or leather. There is a choice of feet: Brushed metal or Black metal.

Corner modular sofas are available in many combinations.

Size – Design your sofa to exactly how you want it.

For that ultimate level of relaxation, opt for an electronically controlled recliner that is guaranteed to provide you with the most comfortable seating position.
