Like a soft and cosy quilt, Fedora is a modular sofa that envelops you with a sinuous design and geometric workmanship. Its linear and angular elements, chaise-longue and footstool allow you to create the perfect composition for your desires and comfort experience. A Modular model completely finished on all side in leather or fabric, the Fedora can be combined to create an endless number of configurations, by joining linear elements or corner pieces, chaise longues and ottomans. With Foam seat and back interiors.

Wood frame with an interlocking webbing system.
