Halo

Characteristic for Halo is its super soft surface which due to the softly padded upholstery makes relaxing on it a breeze. To further improve the seating comfort, the seating depth can be adjusted, ensuring the best possible level comfort. Wide choice of modular units, choice of 2 depths.

Foot selection: Glider 5cm, (206) metal leg chromed or (207) metal leg black matt, 10cm.

Solid wood frames and wood materials.

Seat: Spring system with permanently elastic steel sinuous springs.

Upholstery: Ticking with various fillings (e.g. fibres, balls, down, feathers or similar materials). Back: Loose back cushions with a ticking (filled with high-quality filling materials which may contain an admixture of feathers).

Back: Loose cushions with a ticking (filled with high-quality filling materials which may contain an admixture of feathers).

This model features high-quality chamber cushions. The filling material is held in chambers within the cushions to prevent it from shifting.
