

Academy Chairs

The Academy Chairs without arms are simple yet versatile chairs, suitable for multiple purposes. The transparent polycarbonate seats provide comfort yet are stylish. The chair is lightweight and unfussy, allowing you to implement the chair in any setting whether in a dining room or office.

The 4 tubular metal legs give stability as well as style, again giving the ability to match any aesthetic or requirements.

Metal frame options – please enquire.

The seat is also available opaque, using leather in a colour of your choosing to cover.
