

## Stressless Erik

THE INNOVATORS OF COMFORT™

Stressless® Erik is a contemporary recliner providing sumptuous comfort with an ergonomic fit. The exclusive look is highlighted by a supple top cushion with double stitching. An adjustable headrest can add an additional 10 cm to the back height if required.

The Stressless footstool is freestanding to fit all leg lengths, and the top follows your movements, thanks to its built-in glide function.

Finally, a moment to yourself to recharge your batteries. Watch a film, read a good book or just wind down. Lean back and notice how the chair follows your movements.

The unique Plus™ system always gives you maximum comfort and support for your neck and lumbar region, regardless of whether you're sitting or lying down. The sleep function is activated with a simple hand movement, making your moments of comfort even better. Sleep tight.

Add even more luxury with Stressless® Power - the innovative and motorised comfort function. Find your ideal position in total comfort with a simple touch of the neatly concealed buttons.

Classic base model with LegComfort – in this version an elegant footrest is hidden under the seat. Lightly touch the buttons and it swings out to give optimum support. Available in Medium and Large.

10-year guarantee on the internal mechanism.

Wide choice of leathers, fabrics, wood and metal finishes.

## Stressless Erik Recliner Size

Cross base is modern and clean, combining beautiful wood details with polished or matt black aluminum. The rounded profile on armrests and base form an elegant unity. The Cross base features 360° swivel and the comfortable BalanceAdapt™-system.
