HAYLE	4 Fore Street, Copperhouse, TR27 4DY	01736 755700

Crafted from predominantly solid birch but with some birch veneer modern materials the Laura Ashley Garrat Sideboard benefits from drawers as well as a cupboard section which also features an adjustable shelf inside. This novel combination offers plenty of storage as well as the practicality of a cable opening in the rear of the cupboard section. The sideboard has a rippled top for added authenticity and the unit is stained to enhance the natural wood effects.

LAURA ASHLEY

Finishes:

Dark Chestnut

Honey
