

Stressless Paul Recliner

THE INNOVATORS OF COMFORT™

Signature

Cross

Stressless® Paul has an innovative height-adjustable headrest integrated into the backrest, which allows it to be raised seamlessly without gaps. The headrest can be lengthened by up to 7 cm, making it our tallest recliner in this series to date. A wing-shaped back with extra padding on the sides plus covered armrests provide the comfortable feeling of being hugged whilst sitting, alongside a smile-shaped seat that allows you to really sink into the chair. Stressless® Paul is visually appealing, with curved lines, exclusive premium detail piping and extra foam added on the sides of the backrest. The sumptuous headrest cushion offers perfect support for both the head and neck.

Available in a wide range of leathers and fabrics.
Base options in wood and metal – choice of colour.

The systems behind the Stressless experience

BalanceAdapt™

Subtle rocking increases the comfort – it's all about finding the right balance. With BalanceAdapt™ the sitting angle automatically adjusts to your body's tiniest movement.

Plus™-system

The unique Plus™ system always gives you maximum comfort and support for your neck and lumbar region, regardless of whether you're sitting or lying down. The sleep function is activated with a simple hand movement, making your moments of comfort even better. Sleep tight.

Glide™-system

Set the friction of the Stressless wheels once and adjust your sitting position simply by using your body weight.
