*The systems behind the Stressless experience*

#### BalanceAdapt™

Subtle rocking increases the comfort – it's all about finding the right balance. With BalanceAdapt™ the sitting angle automatically adjusts to your body's tiniest movement.

#### Plus™-system

The unique Plus™ system always gives you maximum comfort and support for your neck and lumbar region, regardless of whether you're sitting or lying down. The sleep function is activated with a simple hand movement, making your moments of comfort even better. Sleep tight.

#### Glide™-system

Set the friction of the Stressless wheels once and adjust your sitting position simply by using your body weight.

#### Power

Add even more luxury with Stressless® Power - motorised comfort function. Find your ideal position in total comfort with a simple touch of the neatly concealed buttons.
