

Victor Lift Chair

Multi-function Lift Relaxers, receive added support and convenience with a variety of excellent functions. Helping you to tailor your comfort needs more specifically, the Multi-function Lift Relaxers will allow you to achieve your perfect relaxation zone, providing comfort where you need it most. With a distinctly padded backrest cushion, the Victor Multi-Function Lift Relaxer allows you to sit back and feel the comforting embrace of soft, supple cushioning. The stitching detail on the backrest creates elegant curvatures, providing a cushion that conforms to your body shape. Choice of fabric and leather colours.

Higher grade foam, created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

Comfort-Precision Flex Headrest, adjustable head and neck support gives the ultimate comfort in all seating positions.

A steel and hardwood frame provides durability and strength.
