

Selene

Experience unparalleled comfort

The Selene features deep seats, soft cushioning and a high back, designed to enhance the aesthetic of your living space, infusing it with a contemporary flair while providing a supremely comfortable sitting experience. Recliner sofas let you relax at the touch of a button.

Sewing: leather coverings feasible with contrast stitching.

Mechanisms: recliner versions equipped with electrically powered metal mechanisms operated by button panel positioned on armrests outer sides. The depth of the open recliner is 154cm.

Spring system: elastic webbing. *Seat padding: seat cushion with pocket springs and an additional layer of ecological polyurethane foam covered with 100% polyester padding. Back padding: fibre.*
