himolla

Azure has deep, sumptuous-looking seats, juxtaposed with delicate curves and slender lines – the overall effect is supreme comfort.

The Azure sofa is available with manual or electric adjustment. If you opt for the electric version, the battery for the simple operation is located on the sofa. This sofa comes with wall-hugger function. This means that you can adjust the backrest to your requirements, even when the sofa sits almost flush against the wall.

- Separate adjustment of leg rest and backrest
- Available with Cumuly Comfort function: Azure 4080
- With external battery
- metal feet in stainless steel look brushed or anthracite (powder-coated)
- Seat height: 44 cm

Wide choice of leathers and fabrics.

In order to be able to provide the greatest possible seating comfort whatever your size and stature, the Easy Swing luxury armchair is available in three different sizes (Small, Medium and Large). The manually adjustable headrest ensures that you can read, watch television or even sleep in comfort by relieving the strain on the neck and promoting the relaxation of the muscles. Five different base plate options ensure an exquisite appearance. The options are stainless steel finish, as a wooden base with stainless steel ring, a base in powder-coated anthracite or as a star base. The Azure armchair comes in three different versions: manual adjustment three motors three motors with Lift & Rise In addition, the Easy Swing is also available with an external battery.
