Why choose Julian Foye's FREE Interiors service?

Designing and dressing your property can sometimes be stressful and overwhelming. Luckily, at Julian Foye you can leave the hard work in the hands of our expert advisors. Together with our top class fitters, you can work alongside to create your perfect property. Furthermore, you can arrange to meet in one of our many showrooms and discuss your property aspirations over a cup of coffee. Bring your dreams and we'll make them a reality.

We make it easy for you

Whether it's a new home or you are just looking to transform an existing room, we can help you.

From concept to completion to coordinate your look and realising your dreams, take advantage of our FREE design service.

We go that extra mile

Recycling

As a responsible retailer, we believe that recycling old furniture is an important consideration. We understand that this can be difficult, especially when looking for an appropriate way to recycle it.

When you purchase from us and need your old furniture removed, we can offer to recycle as many pieces as we can for a small cost. With our service, the old furniture is removed from the space and the new is set exactly where you want it.

Additionally, all packaging is removed without charge and taken away for disposal - we will recycle as much as we can. We have partnered with SUEZ to ensure no packaging goes to landfill.

Delivery

We offer free delivery to any home throughout Cornwall and West Devon.

We can supervise the measuring and installation of carpets, curtains, blinds and furniture for your home or holiday let.

We are happy to liaise with keyholders in your absence. If you live away from Cornwall, you can rely on us to supervise the complete furnishing project in your absence. Carpets and curtains will be fitted, all furniture set out as agreed and rooms left clean and tidy.

Making your dreams a reality

How it works

1. Get in touch to connect with us and we can discuss inspiration and budget.
2. Arrange a meeting at home or in the showroom.
3. Colour boards and quotes can then be prepared
4. Delivery and installation.

From dreams to completion, our designers are happy to discuss ideas with you to achieve the perfect living spaces.

We are happy to start from an empty room or if you have certain furnishings that you would like to incorporate, we will work them into the design. We will bring in your personality within each room, just as you like it.

From a brief created via discussions, mood boards are created in order to give you an essence into how the elements will work together.

Style and functionality

Choose from a range of curtain poles, track and accessories, available to order in a choice of finishes and materials including wood and metal.

Quality materials and professional fitting available at Julian Foye.

Let us help you find a style that suits your home.

Expert Carpet Fitting

At Julian Foye, we specialise in 80 and 100% wool carpets: which gives unbeatable bounce back, softness and cleanability.

Your new carpet deserves expert fitting. Our directly employed carpet fitters are trained, assessed and examined to the highest standard by the National Institute of Carpet and Floor-layers, and Stuart and Darren are qualified NICF Master Fitters.

Measure and fitting is free of labour charge, subject to a minimum value. You can trust our carpet experts to install your new carpet with care, clean and vacuum afterwards and – for a small charge – take your old carpet away. If you live away from Cornwall, you can rely on Julian Foye to complete the work in your absence.

We also offer a service to help you move any of the bigger items of furniture for you. Just ask for this service and we can advise a plan and price.

Call us and arrange an appointment. Free car parking at all of our showrooms.
