

Sovereign Mattress

Exceptional breathability, adaptive support and ultimate cooling.

Topped with a luxurious layer of Dunlopillo® natural breathable Talalay latex and powered by the VENTRA Core Performance System. Finished in cooling luxury quilted fabric. Every option delivers the signature hallmarks of the Dunlopillo® Core collection: exceptional breathability, adaptive support and ultimate cooling. Air is channelled through the mattress, dispersing natural occurring heat, and enhances airflow.

Upholstered in the "Dunlopillo® plus" fabric, which is designed to enhance even further the excellent cooling and ventilated sleeping surface provided by the Dunlopillo® Talalay latex.

Specially designed to work seamlessly on the Dunlopillo wireless-controlled electric adjustable divan option available within the collection.

Enjoy personalised comfort by matching your Dunlopillo mattress with a base that delivers a medium or firmer feel for a perfect night's sleep.
