At Julian Foye we make it easy for you

- Recycling of your old furniture for a small fee - we take the old furniture away so you can enjoy your new furniture without the worry of planning how to dispose of the old. It's all done on the same day.
- Staff who care and have the expertise to help you plan your new room.
- Quality brands unique to Cornwall for you to view in unbelievable showrooms. Because we don't work on commission means you can browse at your leisure.
- We stock a selection of sofa beds, occasional furniture, beds and sofas for immediate delivery.
- Free car parking in all of our branches.
- If you experience unexpected delays for a few months, we can store your furniture for you free of charge.
- Our experienced delivery men bring your furniture into the room of your choice, unwrap the furniture, do any assembly required and take away all the packaging for you. All you have to do is enjoy your new furniture. It's a white glove service that is free of charge*.
- We can do a free of charge access check if you are unsure if the furniture will go in your home.
- We employ our own Master Carpet Fitters who also visit your home to measure free of charge and talk to you about your carpet installation.
- A free of charge Interior Designer is available to help you with whole house, small or large projects
- We are excited for the opening of our new showroom in Tavistock later this year. Work is in progress and we look forward to welcoming you very soon. Located on Parkwood Road, next door to the multi-storey car park and Co-op.
