Skye Barstool

The Skye 180° Swivel Bar Stool with Self Return combines practical functionality with a contemporary profile. Upholstered in boucle fabric or leather, the stool features a textured fabric finish that adds depth or leather for practicality, while maintaining everyday durability for both. The 180° swivel mechanism allows ease of movement, while the self-return function returns the seat to its original position after use.

Key Features

- 180° swivel mechanism for ease of movement
- Self-return function restores the stool to its original position
- Supportive seat design for everyday comfort

The Skye bar stool provides a practical seating solution designed to coordinate with modern kitchen islands and breakfast bar settings.

- Finish: Sand Black Powder Coated
