BALLARD

The Ballard Collection comprises a chair, medium and large sofas, a snuggler, footstool and modular pieces that you can arrange to suit your own space and requirements, all complemented by matching scatter cushions. True to our ercol design language, the statement arched legs are shaped from solid ash, tapering outwards to create greater cushion width. The layered seat construction incorporates serpentine springs running the full length of the seat to ensure full support and durability. This is then topped with memory foam to give personalised support and cushioning. **Solid oak legs. Available in fabrics from our Casa and Universal collection.**
